**May 20, 2015**

**Knight of the Month / Family of the Month** - Congrats to Larry Guastella, Kern Council's May Knight of the Month. Congrats also to Mike Riley and his family for being named Kern Council's Family of the Month. Larry (left) and Mike (right) are pictured below receiving their awards from GK Hans Hansen. Also pictured (below) is George Peters. George & family received the April FOM award at this month's meeting as well. Thanks to Larry, Mike and George for all they and their families do for our council!

**Officer Elections for Fraternal Year 2015/2016** - At our May 13th general meeting, we elected a new team of officers to lead our council for the next fraternal year starting July 1st. A good turnout of 33 brothers were at the meeting for the final round of nominations and the election. Congratulations to all of our new officers listed below! A special thanks goes to those officers leaving their positions after this year as well - GK Hans Hansen, Advocate Lucas Phan, Trustee Harry Doyle and Inside Guard Paul Pucci.

Grand Knight - David Lengel  
Deputy Grand Knight - Mike Goodhart  
Chancellor - Ed Harkins  
Recorder - Ben Keyserling  
Treasurer - Larry Guastella  
Advocate - David Trost  
Warden - Ron Fournier  
Inside Guards - Gene Borieo and Jorge Villeneuve  
Outside Guards - Dennis Keller  
Three Year Trustee - Ed Queen

**Membership update** - Our council membership goals for the 2014/2015 year are 11 new members and 4 new insurance members. Membership Director Bob Yancey reported this month that we have now exceeded both of these goals with 13 new members and 5 new insurance members! That should put us in good shape relative to earning another Star Council Award for our council. Thanks to all of you who helped to bring in these new brothers this year. A healthy council is a council that brings in new members every year like this! Way to go men! Total council membership is now 172.

**Pancake Breakfast update** - Our May 3rd "Mothers Day" pancake breakfast was a big success! It was also the last breakfast we will do until September as we traditionally take the summer off from doing breakfasts. Overall this year, with doing more frequent breakfasts, we made more money for the council (nearly \$3100) than any year in recent memory. We also had a lot of happy customers throughout the year! Thanks to chairman Joe Nader and all the volunteers who made our breakfasts so successful this year! We will start our breakfasts up again in September.

**2015 Golf League** - Our 2015 golf season got off to a good start on May 4th. Unfortunately we had our first rain-out the next week, but got out on the course again this past Monday. Our May 11th rain-out will be added to the end of the season and be made up on August 24th. To be added to our sub list, just let George Peters know.

**2015 Golf Outing** - It's also not too early to mark your calendar for our annual late summer golf outing that supports St. Vincent DePaul Society. We have set a date for this year's outing of **Saturday, August 22nd**. Mark your calendars now and stay tuned for more information as we get closer to the date! We will be at Fellows Creek again.

**Vocations Support** - At our May 13th meeting, Chancellor Ed Harkins asked that all council brothers take some time each week over the next month to pray for priestly vocations. Or instead, he suggested you could attend our pre-meeting rosary in June where we will as a group also be praying for vocations. You could do both too!

## **From our Insurance Agent - The Value of Life Insurance for Children**

*As a father, you worry about your children and do everything you can to protect them. You try to raise them right and make sure they are prepared to become adults. But have you ever thought about buying life insurance for your child?*

*When you insure a child, you are protecting his or her future. Did you know that one out of every six adults get rated, postponed, or denied for insurance coverage? If you purchase a policy for your child from the Knights of Columbus with a guaranteed purchase option, it guarantees that more insurance can be purchased for that child at certain set dates, without proving insurability.*

*Unfortunately, as fathers we don't have a crystal ball, and we don't know what the future may have in store for our children's health. But did you know that right now you can purchase a child's policy, in many cases, for less than \$10 a month?*

*I've heard it said that people don't want to "profit" from the death of a child, so they won't purchase coverage on their children. God forbid something tragic happens, those funds can come in handy at a time when finances will be the last thing on a parent's mind. I have never heard a story about someone who regretted buying coverage on their child.*

*Contact me today to discuss the many policy options for child plans, including 10- and 20-Pay life insurance.*
